Publisher's Note

From ancient traditions of Indian art and handicraft, K. Prakash has created this unique collection of textile designs. *Paisleys and Other Textile Designs from India* contains 144 pages of ornamental design patterns collected from India's different regions, such as Banaras, center of fine arts and exquisitely designed fabrics, as well as Kashmir, Punjab and other parts of North and South India. In addition to the rich floral patterns, this collection features unique paisleys, a pattern with roots in Mughal art and one that is as popular today as when it was introduced to the West in the early eighteenth century.

Each design is clearly printed, featuring a wealth of intricate details that will make this book an invaluable resource for fashion designers, fabric painters, embroiderers and other textile artists.

PAISLEYS AND OTHER TEXTILE DESIGNS FROM INDIA

K. Prakash

This collection includes over 500 strikingly varied textile designs culled from a wide range of sources throughout the Indian subcontinent. Adapted from design patterns from Benares, center of fine arts and beautifully designed fabrics, Kashmir, Punjab and India's most remote regions, these exotic creations reveal not only the influence of many cultures within the country itself, but the extraordinary pervasiveness of natural themes in the work of India's artists and craftworkers. Throughout the collection, a spiritual affinity with the natural world is highly apparent—repeatedly exhibited in splendid designs inspired by trees, leaves, flowers, buds, animals and birds.

Offering a wealth of creative possibilities for direct, permission-free use by textile designers, needleworkers, fabric painters and other craft enthusiasts, this distinctive visual survey also comprises an indispensable sourcebook for graphic artists, students of art and art historians.

K. Prakash is an artist and internationally recognized textile designer who lives and works in Bombay.
